Message from Governor John Fons:

I love old typewriters. I'm writing on one now, a 1954 Smith-Corona Silent portable. The reason I like old typewriters is they're mechanical. All the pieces fit together and they all work together. Sort of like a SWIS District Quarterly Conference. You'll see one in action this weekend, Feb. 18-19, at the Comfort Inn & Suites in DeForest. You have until February 15 at 5pm to register.

All the parts have been carefully put together in working order.

The rest is up to you.

Old friends will gather and Optimists who have never met will greet one another. Special Guest Rebecca Butler Mona, Optimist International President 2018-19, and her husband Mike from West Des Moines will be there; plus JOI Club members from Lake Mills will participate and thirteen (count 'em) ukulele players from Waunakee will entertain during lunch, complete with sing-a-long. We'll provide the lyrics. We'll also provide other guest speakers and surprises. We'll hear from a K-8 school counselor who wants to start a JOI Club in a Milwaukee school district where 70% of the students live in poverty.

You know what else I like about old typewriters?

When you get to the end of a line, a little bell rings.

Come to our gala 2nd Quarter SWIS District Conference and you can help us all ring the bell of Optimism loud and clear.

The fantastic weekend planned for the DeForest conference will include the Friday February 18 Executive Meeting at 7 PM followed by an evening hospitality and the Saturday, February 19 conference.
